

ROCKBAND 2™

OFFICIALLY LICENSED PRODUCT

Wireless Fender™ Wooden Stratocaster™ Replica

for Xbox 360®

Mad Catz' highly coveted Wireless Fender Wooden Stratocaster Replica is the guitar to own for any Rock Band enthusiast who wants to rock in style with unparalleled performance plus the added freedom of wireless connectivity. This is no cheap plastic toy, wood from the same stock as a real Fender guitar is what this axe is made of. The high gloss paint finish will make your guitar shine and will be the envy of all your friends. The premium-quality strum bar and fret buttons ensure every note will be delivered on time and with the highest level of durability available on any Rock Band guitar. An official Fender strap completes the look and ensures your axe will look as good as the real thing on and off stage.
